Your satisfaction is important to us

We understand the importance of scheduling to your practice and your patients. These dates represent normal production time frames, cases may arrive before the stated return date. The **red** dates on the calendar represent the day the case leaves your office with a carrier or our driver. The **blue** dates represent the day that you will receive the case back from Maverick. You will receive cases by 5 p.m. Please schedule patients after the return date. If no date appears on prescription, your case will be returned 10 days from the day we receive it.

Rush Cases

All rush cases must be approved in advance to ensure availability. Please call customer service at 866-294-7444 to schedule and receive rush case instructions. Appropriate rush fees will be added when applicable.

Implants

Because of the complexity of many implant cases and the need for specific parts, additional time may be required. We will advise you in these instances.
