How This Calendar Works

We understand the importance of scheduling to your practice and your patients. These dates represent normal production time frames. The **blue** dates on the calendar represent the day the case leaves your office. The **red** dates represent the day that you will receive the case back from Maverick. You will receive cases by 5 p.m. Please schedule patients after the return date.

Rush Cases

All rush cases must be approved in advance to ensure availability. Please call customer service at 866-294-7444 to schedule and receive rush case instructions. Appropriate rush fees will be applied.

Implants

Because of the complexity of many implant cases and the need for specific parts, implants require 15 in-lab working days. Please account for shipping and delivery days when scheduling your patients.
