How This Calendar Works

We understand the importance of scheduling to your practice and your patients. **The black dates on the calendar represent the day Maverick receives your case – not the day you send your case.** Please review the color-coded legend below to see the date your case will be returned to your practice. You will receive cases by 5:00 PM.

Please Note: The method of shipping used to send your case to our lab is entirely up to you. Be sure to factor in transit time when selecting your shipping option, as this will affect when we receive your case and when it is returned to you.

For Digital Scans: To ensure same-day production, scans must be submitted by 2:00 PM EST.
